Welcome back to Soccer!

We wish all of our soccer community a safe and fun soccer experience this season.
Please follow the Health and Safety Protocols to help us protect your children.

Everyone must at all times wear a mask in the facilities. Only participants actively engaged in play can remove their mask.
Masks are worn when not playing. In some circumstances masks may be required to be worn by everyone at all times.

Everyone must have proof of full vaccination or a negative test result to enter the facilities.

Everyone who participates in our soccer league acknowledges the inherent risks associated with COVID-19 and agrees to assume the risks involved.

Everyone who participates certifies that they do not presently show any of the symptoms of COVID-19;
that they have not been in contact with anyone having a COVID-19 infection;
that they will notify the league if they show any symptoms in the future; and
that they will observe all public health and league safety requirements.

Everyone agrees to participate in contact tracing.

Everyone agrees to adhere to the University and league health and safety protocols.
Violations of the health and safety protocols will be brought to the attention of the University Campus Security.

THERE IS A ZERO TOLERANCE FOR ENDANGERING THE SAFETY OF OUR CHILDREN
Verbal abuse or threats against referees, coaches, league officials and other participants will not be tolerated.

Everyone must observe proper hygiene and safety practices. Use hand sanitizer. Don't share personal equipment.
Wash yourself and clothes after games.

Please maintain some physical distancing at all times.

As space is limited and to support physical distancing please reduce the number of spectators at games.
Please consider having only one parent per player attend the game.

To reduce congestion around the gyms please observe the separate entrances and exits.

Game schedules have been modified to avoid congestion as players arrive and leave the facilities.
Games in Gym 1 start on the hour and games in Gym 2 start 15 minutes past the hour.

Try to observe some physical distancing while coaching and on the bench

Referees will handle the game balls and arrange for their cleaning. Coaches will handle the cleaning of team practice balls.

Referees will use hand sanitizer and disinfecting wipes.

Referees will warn players to minimize unnecessary physical contact.

Referees and coaches should avoid physical contact with other participants.

No pre-game and post-game handshakes. Use a greeting that does not require physical contact.
